

**NEWSLETTER NO 10 OF HUNFILEX 2022**

**A SHORT ONE**

*WITH IMPORTANT INFORMATION REGARDING CUSTOMS, COVID AND  
UKRAINIAN WAR*

Dear Friends in Philately,

Budapest, 8 March 2022

There are some developments regarding all above topics.

1.) Regarding the COVID situation: **Hungary lifted all restrictions as of 7 March. No COVID-pass or test is needed when entering or leaving Hungary** and there are no restrictions in Hungary for the everyday life, e.g. no masks are needed anywhere.

2.) Regarding non-EU customs:

As we have written, there is a possibility to use the „Duplicate List” method for the customs procedure of the exhibits. There is a detailed description available for those who want to use it, up to now Great Britain and the US signified their interest in it, anybody thinking to apply it please let us know and we will send the details.

3.) Regarding the war in Ukraine: apart from many refugees arriving to Hungary (and receiving plenty of help from our nation) nothing is felt here, the war is, luckily for us, far away. Both the FEPA and the FIP notified us that Russian and Belorussian exhibitors should not be accepted to the exhibition. Luckily for us, the commissioner of both countries notified us that they withdraw their nominations. So we sent them back the frame fees and there will be no Russian or Belorussian exhibitors at HUNFILEX2022.

With best regards
