No.294 /04.05.2022

Bucharest

Dear Mr. Bill Hedley, President FEPA  
Mr. Igor Pirc, Secretary FEPA

Dear FEPA colleagues,

This year, in May, in Timișoara we celebrate "**100th anniversary of the establishment of the first Canine Association in Romania**" (the Society of Police Dogs for Romania). On this occasion, the Romanian Philatelic Federation, through the Association of Philatelists from Timisoara, intends to organize together with the Canine Association of Timiș County a national philatelic exhibition with international participation - "CANNIS 2022" within the exhibition "Nature 2022", which will renew the thread of 40 previous editions.

But as it is never good to make plans, given the intentions of participation from all over the country, we expanded the field of the exhibition, joining "CANNIS" with a general exhibition "TimFilEx".

Along with the Romanian philatelists, the Romanian Canine Association, the West University of Timișoara, the Timișoara Polytechnic University and the Timiș County Council also joined the event.

The philatelic exhibition will take place between May 6 and 8, 2022.

We have 110 exhibits registered from Romania, Bulgaria, Hungary, Serbia, Germany, France, Italy, USA, on a number of 320 panel faces. It will truly be a royal philatelic event, where you will be able to admire exhibits of a certain value, internationally recognized.

On Friday, May 6, 2022, at 17:00, the opening will take place at the West University of Timișoara. On Saturday, May 7, 2022, between 8:00 and 12:00, the Collectors' Fair will take place also at the West University.

The "Cannis" section will be mounted in the exhibition hall of the Village Museum in the Green Forest. An interesting Dog Show will take place at the same location, with over 600 participants (600 dogs + 1000 owners).

A Romfilatelia stand will be opened at the two locations, from where it will be possible to purchase all the postal items made for the Cannis Exhibition. The two special cancels that will be applied on May 6 and 7 will also be available.

Marius Muntean,  
President of the Timisoara Philatelic Association

Victor Iordache,  
Interimar President
