The Museum of Philately Opens The Public Voting For The Rowland Hill Medal

October 2022: The Museum of Philately is delighted to officially open the public voting for the first ever 'Rowland Hill Medal' rewarding the best philatelic collection published on the Museum. This award voted for by the public will recognize the amazing collectors and collections displayed on the unique platform. The first medal winner will be revealed at MonacoPhil 2022, with the voting open from 18th October 2022 until 18th November 2022.

This is an exciting opportunity to celebrate the achievements of the collectors featured on the Museum and promote their collections, which are captured and displayed upon our unique digital platform. It will enable a fundamental aspect of

traditional exhibiting to be accessible to a broader audience, all over the world, combining it with the latest technology for presenting award-winning exhibits.

The Museum of Philately is a wonderful way for everyone within the hobby to see privately held collections, which aren't regularly shared. The majority of these

collections have won Large Gold's and the collectors are skilled exhibitors, however all philatelists are welcome to send their collections in to be reviewed by the Museum's curators.
